

TCT830S 3-Sided Table Throw

Full Color Sublimation

8ft table

96" long x 30" wide x 29" high

All images must be embedded
(200 DPI at final print size minimum,
300 DPI recommended).

All fonts must be outlined.

Using PMS colors in your art is recommended,
but an exact match cannot be guaranteed

The area inside the blue dots is the live print area. Note: On the throw style,
the material in the corners will be slightly bunched up when in use.

The black dotted lines are the folds.

The red line represents the sewing seam edge. We cannot guarantee exact
graphic matches across the seam but we will come very close.
