

Spectra Lite PHOTOIMAGE® 4 COLOR PROCESS VALUE PLAQUES

These Spectra Lite PhotoImage® plaques are made with thinner acrylic to keep the cost down. Choose from 1/8" thick with a straight edge or 1/4" thick with a beveled edge. Wall hanger and gift box are included with all plaques.

PHOTOIMAGE® 4 COLOR PROCESS

These plaques utilize a state of the art printing process to create beautiful but economical four color graphics. The printing is on the backside so that the images appear to float inside the plaques. PhotoImage® Plaques are also available with Digital Personalizations or variable data copy together with the 4 color process imprint.
