Slight shifting of logo/text cannot be avoided. As each product is manufactured and logoed individually, up to 3/16" movement in logo alignment may occur. Thin lines and small text are not recommended due to loss of detail and legibility. In 4-color process / Photoimage full color printing, exact color match cannot be achieved. There may be a dramatic difference between the PMS Color noted, screen color shown and printed color. Repeat order color matching cannot be guaranteed. Products are intended for individual use and cannot be compared one to another or order to order. None of these can be considered a defect. Acrylic award material thickness, size and color as well as ink colors will vary slightly from product to product and order to order. All acrylic material will have slight blemishes and subsurface scratches which cannot be avoided and are not considered defects as perfection in clarity and 100% scratch free cannot be achieved. 1005
