Hazardous Products (Power Banks) Shipping: Hazardous Products shipping within the continental U.S. generally ship ground at regular published rates. Hazardous materials shipping internationally, to Alaska, Hawaii and Puerto Rico automatically require the hazardous materials documentation fee in addition to all other applicable shipping related cost. If expedited shipping is requested/required the order must ship Federal Express, and by law, the hazardous materials documentation fee is required in addition to all other applicable shipping related cost. Visit our website General Information under "Hazardous Products (Power Banks) Shipping" for specific and updated details.

Please Note: Power banks ship at regular ground shipping rates. For expedited or air shipments outside the Continental U.S., shipment must be made with Federal Express and a \$50.00 charge per each box must be added as required by law. Slight shifting of logo/text cannot be avoided. As each product is manufactured and logged individually, up to 3/16" movement in logo alignment may occur. Products are intended for individual use and cannot be compared one to another. In 4-color process printing, exact color match cannot be achieved. There may be a dramatic difference between the PMS Color noted, screen color shown and printed color. None of these can be considered a defect. 0725
