#5139 "FREEDOM" 3 PORT MINI USB HUB WITH TYPE C ADAPTER

Expand your computer's connectivity with our 3 Port Mini USB Hub. Add additional peripherals like a mouse, keyboard, flash drive port, cell phone charging port and even a printer. Unlike the older USB Hubs, this one features 2 input connection options – the traditional USB A adapter and the newer USB Type C adapter. Many new computers offer only the new Type C adapter option. This device will work with ALL computers, new or old. Available with a Spot Color or PhotoImage Full Color imprint.

Please specify Promo #W3676 to receive special pricing at time of order placement as it cannot be applied later. This offer may not be combined with any other promotion, discount, coupon and/or special column pricing. Expires 3/31/2020. All prices are in US Dollars.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E-Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation. 0106
