#5126 'THE RING'

Rotating Ring Phone Holder and Stand

Our newest phone grip and stand is made from durable ABS plastic with a strong metal ring. The ring rotates 360 degrees for the perfect grip and also functions as a phone stand for viewing videos, movies, playing music or reading. Adhesive backing is easily removed leaving minimal residue. Instructions included.

Size: 1-3/8" x 1-3/8" H

Imprint: 1" x 1"

Please specify Promo #W3760 to receive special pricing at time of order placement as it cannot be applied later. This offer may not be combined with any other promotion, discount, coupon and/or special column pricing. Expires 4/30/2020. All prices are in US Dollars.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including spot color direct print or 4CP vinyl label. PMS is only a reference point and an approximation. Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Vinyl labels may have small bubbles and variation in label application cannot be avoided. Note on proofs: E-Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation. Please note: Adhesive strength may vary depending on materials used in the cell phone itself or aftermarket phone cases. 0128
