Please note: All face mask products sold by are marketed solely for general, non-medical purposes. The masks are not sold for use in the diagnosis, cure or prevention of disease or other conditions. Unpolished edges may be sharp, please use care during use (Not intended for children). Small shifting of imprint cannot be avoided when imprinting or laser engraving. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Orders must be submitted with art and valid shipping address. (We cannot accept incomplete orders) Credit department will contact you for prepayment details, no exceptions. This face cover is for source control use only. This face cover should not be used: (1) in any surgical setting or to provide liquid barrier protection; (2) in a clinical setting where the infection risk level through inhalation exposure is high; (3) for particulate filtration; or (4) in high risk aerosol generating procedures. The product has not been FDA cleared or approved, it has been authorized by the FDA under an EUA for use as source control by the general public during the COVID-19 pandemic. Source control means preventing the transmission of infection through a person's respiratory secretions which are produced when speaking, coughing, or sneezing. Face masks, including cloth face coverings, help with source control by covering the wearer's mouth and nose. This product is authorized only for the duration of the EUA during the COVID-19 outbreak, under section 564(b)(1) of the Act, 21 U.S.C. §360bbb-3(b)(1) unless the authorization is terminated or revoked sooner. If you experience any issues with this product, please contact us at info@innovation-line.com. 1207
