Please Note: Masks fit faces differently according to each individual facial structure. Innovation Line makes no claims about exact fit as each mask varies in size just as each individuals face structure varies. If facial fit is critical, the buyer assumes all responsibility for confirming fit requirements prior to order placement. Mask Sales are final and returns not accepted & discounts will not be issued.

Price Includes: up to a Full Color Sublimated Imprint on front of mask (exact color matches are not guaranteed). **Setup Charge:** 60.00 (G) setup charge, regardless of numbers of colors. **Repeat Setup Charge:** 27.50 (G). **Email Proof Charge:** 7.50 (G), add 2 days to production time. **Weight:** 6 Lbs / 100 Pcs. **Packaging:** Bulk packed, 25 pcs per polybag. **Individual Polybag:** add .15 (G), add 2 days to production. **Production Time:** 5 days.

Disclaimer: Face Masks are each individually hand-sewn, which will result in slight size variations that cannot be avoided. Due to the intricacies of the Dye Sublimation printing process: it is not possible to perfectly center mask imprints and up to 1/4" shifting of the logo and any copy is unavoidable. Some copy may run close to seams and/or over seams and can appear slanted. Also, creases in the mask material could create small white spaces inside the creases, and for full bleed imprints, a narrow white border may appear along the trim line, all of which are not considered defects. Returns cannot be accepted for any reason on any mask product. Washing instructions: Wash prior to use. Hand wash or machine wash cool, line dry only.

Washing Instructions: Wash prior to use. Machine or Hand Wash Cool, line dry or use dryer on low heat.

Specify Promo **#E4180** to receive special pricing at time of order placement as it cannot be applied later. This offer may not be combined with any other promotion, discount, coupon and/or special column pricing (EQP & NQP do not apply). **Expires 6/30/2021**

This face cover is for source control use only. This face cover should not be used: (1) in any surgical setting or to provide liquid barrier protection; (2) in a clinical setting where the infection risk level through inhalation exposure is high; (3) for particulate filtration; or (4) in high risk aerosol generating procedures. The product has not been FDA cleared or approved, it has been authorized by the FDA under an EUA for use as source control by the general public during the COVID-19 pandemic. Source control means preventing the transmission of infection through a person's respiratory secretions which are produced when speaking, coughing, or sneezing. Face masks, including cloth face coverings, help with source control by covering the wearer's mouth and nose. This product is authorized only for the duration of the EUA during the COVID-19 outbreak, under section 564(b)(1) of the Act, 21 U.S.C. §360bbb-3(b)(1) unless the authorization is terminated or revoked sooner.

Important Information: Proofs provided are for logo placement and size approval only. The colors shown on e-proofs may not be accurately represented on your computer monitor (All metallic inks will NOT show up as metallic on screen) and PMS colors as printed in the Pantone Color Book are only a reference point. Therefore, e-proofs are not an exact color representation. Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, and material variations. Innovation Line is not responsible for any color variation. In screen printing pad printing, Sublimation or transfer process exact color matches cannot be achieved. Regarding color matching, dye-sublimation printing uses a computer printer to generate a heat transfer to transfer the image onto fabric. Dye-sublimation printers use CMYK (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favor of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. 0329
