We hope you enjoy your new **USA Made Touchless Sanitary Key**. It's made for all those often used germ surfaces you don't want to touch with your hands such as public pull or push doors and pressing elevator, ATM, gas pump, grocery check-out and other numeric keypads. There are literally dozens of uses.

For blank (without logo) Touchless Sanitary Keys, remove from polybag and peel off the protective paper liner on the front and back before use.
