Disclaimer: The nature of vinyl is that it is subject to wrinkles and crinkles and this is not considered as defect. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Products are intended for individual use and cannot be compared one to another. Product material thickness, size and color as well as ink color can vary slightly from product to product and order to order. PMS colors will be very close, however inks are mixed by hand with some variation and cannot be compared to e proofs. Copy Change request must meet 1/2 of the first column quantity. No exceptions. All applicable charges will be applied. Important Information: This face cover is for source control use only. This face cover should not be used: (1) in any surgical setting or to provide liquid barrier protection; (2) in a clinical setting where the infection risk level through inhalation exposure is high; (3) for particulate filtration; or (4) in high risk aerosol generating procedures. The product has not been FDA cleared or approved, it has been authorized by the FDA under an EUA for use as source control by the general public during the COVID-19 pandemic. Source control means preventing the transmission of infection through a person's respiratory secretions which are produced when speaking, coughing, or sneezing. Face masks, including cloth face coverings, help with source control by covering the wearer's mouth and nose. This product is authorized only for the duration of the EUA during the COVID-19 outbreak, under section 564(b)(1) of the Act, 21 U.S.C. §360bb-3(b)(1) unless the authorization is terminated or revoked sooner.
