Slight shifting of logo/text cannot be avoided. As each product is manufactured and logoed individually, up to 3/16" movement in logo alignment may occur. Products are intended for individual use and cannot be compared one to another. In 4-color process printing, exact color match cannot be achieved. There may be a dramatic difference between the PMS Color noted, screen color shown and printed color. None of these can be considered a defect. Input/Output: 5V / 1.0Amp - Function: Charging only. For security, no data transfer. Warning: Choking hazard for small children. Not a children's product and not for children under 6 years of age. 0901
