Disclaimer: Hand wash prior to use. Washing will influence imprint longevity. Hand wash separately only. May bleed due to dye release on darker colors.

Please note: The dye-sublimation printing process uses a computer printer to generate a heat transfer to transfer the image onto the fabric. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do its best to match but cannot guarantee an exact color match. 0721
