HEALTHY GUIDELINES

IN ALL CASES OF ACCIDENT OR EMERGENCY, or if you are uncertain of what to do, call 911. Be calm and thorough while speaking with emergency dispatch. Do not hang up the phone until instructed to do so. Do not compromise rescuer safety. Do not give liquids to an unconscious person. Do not move victims unless they are in an unsafe location and doing so will not cause injury to the rescuer or further injury to the victim. Do not provide aid unless you are trained or further instructions are followed. Call 911 if you are unsure.

BURNS: Cool burn with tepid or cool clean water being careful not to drop the victim's body temperature. Remove all jewelry and affected clothing. Cover the injury with a clean dry pad or cloth and call physician. For any burns that results in blistering or broken skin, call 911. Do not apply creams, ointments, or oils. Do not use ice or ice packs. Creams that are specifically designed for use with burns. Creams that are specifically designed for use with burns. Creams that are specifically designed for use with burns.

POISONING: Do not induce vomiting unless instructed to do so by a healthcare professional. Call 911 if you are unsure.
