Expire 12/31/2021

**\*Disclaimer:** Masks fit faces differently according to each individual facial structure. Innovation Line makes no claims about exact fit as each mask varies in size and each individual facial structure is different. Some copy may run close to seams/trims and/or over seams and can appear slanted. Also, creases in the mask material could create small white spaces inside the creases, and for full bleed imprints, a narrow white border may appear along the trim line. Returns cannot be accepted for any reason on any mask product. PMS color matches cannot be achieved in any printing process. E-proofs & Virtual Proofs do not represent true color matches. If PMS numbers are provided, factory will attempt to get as close as possible but exact color match cannot be achieved. PMS colors can vary from location to location on the same product due to the amount of colored ink concentration causing slight shifts either lighter or darker during the printing process and is a normal aspect of the decoration process. All mask sales are final and no return will be accepted nor will refunds be made.  
Disclaimer: Slight material bleed through cannot be avoided when printing on this material (100% ink coverage is not possible). Credit will not be issued nor returns accepted. 1110. E4520
