For spot color imprint small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. 100% full coverage is not possible, small pin holes and gaps in the imprint might be seen when magnified. Hand Sanitizers are intended for individual use and cannot be compared one to another. Multicolor vinyl labels may have small bubbles labels are applied manually and they cannot be perfectly aligned on each bottle or compared one to another or order to order. PMS match cannot be guaranteed. All sanitizer imprints are produced to acceptable arm's length inspection standards. 0916
