Please note: During warm weather, products may soften or even melt during the transit or delivery process. This includes inside delivery trucks, mailboxes, warehouses, patios, front door areas or anywhere that is not climate controlled. Most products do make their journey safely, but some do not unfortunately. (especially when left in direct sun exposure upon arrival). Since melting is a natural reaction to heat and Innovation Line has no control over the temperature conditions after departing our climate controlled locations, please understand that we cannot be responsible for melted or softened products that is a direct result during transit time with 3rd party carriers. Please advise your customers before ordering these lip moisturizer products during hot, summer months that: All sales are final and we cannot accept returns or issue refunds for melting.
Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, Photolmage® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation. Lip Moisturizers are intended for individual use and cannot be compared. 0621
