Please Note: Imprint on front and back of one side. Imprint runs over seam on backside and cannot be avoided. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Headware is intended for individual use and cannot be compared. For red headband only, due to towel color dyeing process, for white ink imprints only, the red dye may bleed slightly and produce a pink hue, which cannot be avoided and is not considered a defect. Disclaimer: Note please hand wash. Washing will influence imprint longevity. Slight material bleed through cannot be avoided when printing on this material (100% ink coverage is not possible). Credit will not be issued nor returns accepted. 0921
