Disclaimer: Do not machine or hand wash imprint patch as water will damage logo. The full color transfer printing process uses a computer printer to generate a heat transfer to transfer the image onto the fabric. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do its best to match but cannot guarantee an exact color match. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.
