Disclaimer: This item has tapered ridges across the imprint area, which may slightly distort small text. We recommend keeping small text and details away from the ridged areas for the best legibility, however if logo does not allow, factory cannot be responsible. Please refer to our template to accurately adjust imprint placement across the ridges. Slight shifting of logo/text cannot be avoided. As each product is manufactured and logoed individually, up to 3/16" movement in logo alignment may occur. Products are intended for individual use and cannot be compared one to another. In 4-color process printing, exact color match cannot be achieved. There may be a dramatic difference between the PMS Color noted, screen color shown and printed color. None of these can be considered a defect. 1014
