Item Size: 14-1/2” x 3-3/4”

Safe Area: 13-3/4” x 3” (Art outside the safe area may be touching the edge or slightly cut off on some pieces due to small movement during printing. Important text and logos should be kept within the safe area to avoid potential cutoff)

Full Bleed Imprint Size: 16” x 4-3/4” (Total print size required to print across all item edges and account for any movement during printing)

NOTE: Due to the lightweight polyester material, the sleeve may appear stretched or crinkled after use — this is normal and temporary and cannot be avoided. Its original shape will return after washing and drying. Credits or returns will not be accepted for this temporary condition.
