Disclaimer: Microfiber cloths are available with a smooth or serrated (jagged) edge. Serrated edge is supplied unless noted otherwise. The dye-sublimation printing process uses a computer printer to generate a heat transfer to transfer the image onto the fabric. Dye-sublimation printing machines use CMY (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favour of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do it's best to match but cannot guarantee an exact color match.

"The Cooling Fandana™" Multi-Functional Cooling Head and Neck Wear

The Cooling Fandana keeps you cooler while working out in the gym or when outdoors playing sports or participating in other activities in the heat. Simply wet with water and wring to activate. The specialized air pocket construction quickly absorbs and retains water better than standard materials, and enhances air flow into the damp cloth, creating a prolonged cooling effect. The moisture wicking properties draw moisture away from your skin so you stay dry and comfortable. The Cooling Fandana remains dry to the touch. Simply re-wet and wring to reactivate and refresh as necessary. 100% eco-friendly chemical free microfiber polyester construction. Hand Wash Prior to Use.

"The BrandBand™"
Bracelet and Wrist Band with
Woven-In Logo and Copy (Patent #3,962,244)

The BrandBand™ is a fresh and new alternative to the silicone bracelet and wrist band concept. It's a fun and lighthearted medium for corporate and event branding, but fashionable and can be worn everyday. Your imprint copy is woven-in to the polyester skin for a more upscale and professional look and feel. The BrandBand™ is made from high quality flexible plastic so it won't break or warp over time. A one color woven imprint over a background color is included in the price. Price Includes: Logo or copy woven-into bracelet in one imprint color over any standard material color (listed below). For additional imprint colors on outside or inside of the BrandBand™, add an additional color run charge of .08 (G) plus setup. 2 color imprint maximum and the imprint colors on outside and inside must be the same.

Disclaimer: The **dye-sublimation printing process** uses a computer printer to generate a heat transfer to transfer the image onto the fabric. Dye-sublimation printing machines use CMYO (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favour of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do it's best to match but cannot guarantee an exact color match. Disclaimer: Imprint will deteriorate with washing and normal use and this is not considered a defect. INTENDED FOR DRY USE ONLY. Thin lines and fine type may be difficult to read or break up when printed on the fiber loops of this product and as a result imprint will vary from piece to piece. Also, cloth material varies from cloth to cloth, as they are intended for individual use, they cannot be identical to each other. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Microfiber cloths are intended for individual use and cannot be compared.

No two stress relievers are exactly alike. Due to the nature of the material and since each is hand made and hand printed, variations will occur. Opacity of imprint is difficult to control and some imprints may be lighter and more see through than others. Imprints can appear uneven or broken due to surface variations inherent in the material. We can print up to 2 colors per position but tight registration is not guaranteed. Exact centering of imprint positions is also not guaranteed. We will do our best to minimize these limitations. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Stress shapes are intended for individual use and cannot be compared one to another.

Note: Title to goods passes to distributor or final consumer once factory delivers the products to the common carrier. Freight claims should be filed with the carrier if a loss occurs. Delays related to the carrier or weather are not responsibility of factory. Additional freight charges will be incurred if product is shipped other than in our standard packaging. Please note this is an Estimate and actual charges may vary by 10% plus or minus. International Shipments, including HI & AK can only ship FedEx 2 Day or FedEx Overnight. A \$50 charge per box fee will be added to expedited shipping for appropriate documentation for hazardous materials (sanitizers and powerbanks). Hazmat products shipping to Alaska, Hawaii and Puerto Rico automatically requires hazmat documentation and \$50 charge per box fee in addition to shipping cost. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. First Aid Kits are intended for individual use and cannot be compared one to another.

Disclaimer: The dye-sublimation printing process uses a computer printer to generate a heat transfer to transfer the image onto the fabric. Dye-sublimation printing machines use CMYO (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favour of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do it's best to match but cannot guarantee an exact color match.

Disclaimer: The dye-sublimation printing process uses a computer printer to generate a heat transfer to transfer the image onto the fabric. Dye-sublimation printing machines use CMYO (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favour of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do its best to match but cannot guarantee an exact color match.

2035 - 5" x 7" x 3/4"
2404 - 5" x 7" x 1/2"

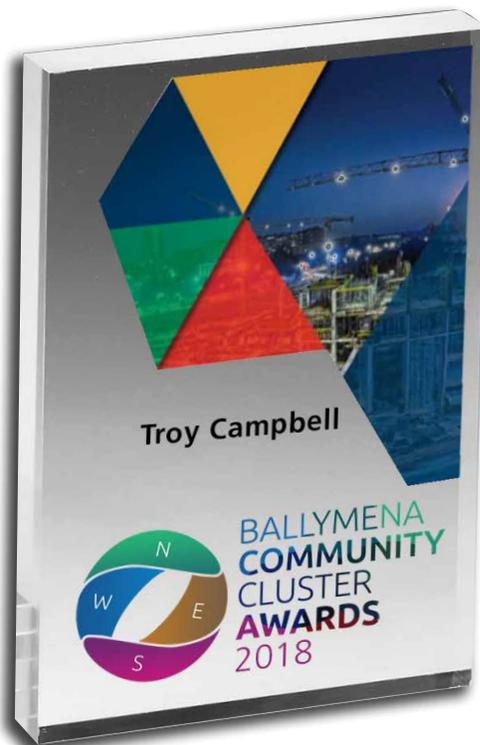

Shown with 4 Color Process Imprint

These paperweights utilize a state of the art printing process to create beautiful, but economical, four color graphics. The printing is on the backside so that the images appear to float inside the paperweight. Full bleed artwork is not required. They are available in 1/2" and 3/4" thicknesses and can also feature Digital Personalizations if required.

General Information

PRODUCTION SCHEDULING EXCEPTIONS: If a requested ship date or in hand date is NOT noted on the order, factory reserves the right to extend/decrease production time.

COMPLIANCE: All our products comply with all applicable State and Federal product safety regulations.

Changes To Orders: Any changes to an order must be made in writing and approved by factory prior to changes becoming effective. Distributor is responsible for all production costs, if any, incurred prior to order change.

Product Substitutions: Factory reserves the right to substitute/upgrade to a product of equal or greater value without prior notification.

Credit Card Payment Terms: Our standard open account terms are Net 30 days, from the date that order has shipped. We accept VISA and MasterCard for order payment with distributor approval. Delays in response to request from our credit department will delay the ship date.

Re-orders: Please specify the most recent P.O. Number and date or the Innovation Line job number. Customer Purchase Orders and digital artwork files are stored for two (2) years.

Catalog Pricing: Catalog prices are subject to change without notice. All catalog pricing is based on our costs known at the time of publishing. Natural disasters, worldwide economic conditions including, but not limited to, foreign governments altering their tax or monetary policies, the cost of raw materials rising (usually associated with the cost of oil) or other economic conditions could result in unforeseen price increases. Any such event may necessitate that we alter the pricing published in this catalog. In such an event, we will do our best to keep prices updated on our website at www.innovation-line.com. We are not responsible for pricing or information errors found in third party publications (i.e., ESP, SAGE, Impact, etc.) whether in a database, online, in print or by email blast, etc. Pricing is effective upon publication.

MISCELLANEOUS CHARGES

General Information

SHIPPING

Shipping: Factory can only guarantee a delivery date based upon when the merchandise leaves our warehouse. We will not be held responsible for any consequences that result from freight carrier delays or failures. Distributor is responsible for all shipping and freight charges FOB Factory at zip code 90230. Shipping instructions, method, delivery address and delivery date must be clearly included on purchase order. Title to goods passes to distributor or final consumer once factory delivers the products to the common carrier. Freight claims should be filed with the carrier if a loss occurs. Delays related to the carrier or weather are not responsibility of factory.

No refunds, credits or returns will be given if carrier is in error. Factory often gets billed from common carriers when addresses are wrong, residential deliveries are required or other mishaps occur because proper ship to information was not provided. In such cases, Factory will send a supplemental invoice to distributor for such charges. Additional freight charges will be incurred if product is shipped other than in our standard packaging. Please note freight Estimates are only estimates and actual charges may vary by 25% plus or minus. Freight estimates are for a single item with standard bulk packaging. As this is an estimate, factory reserves the right to alter packaging, including assorted item colors, imprint colors, less than minimum runs and copy changes and is NOT responsible for resulting estimate deviations. International Shipments, including HI & AK can only ship FedEx 2 Day or FedEx Overnight. A \$50 charge per box fee will be added to shipping for appropriate documentation for hazardous materials (sanitizers and powerbanks).

Early Shipping: Factory reserves the right to print and/or ship orders earlier than requested on purchase order UNLESS purchase order clearly states Do Not Ship Early. Factory cannot be held responsible if customer requests changes to an order that has already been printed and/or shipped. Postal service is discouraged but if distributor insists there is an additional \$35.00 (Z) delivery charge to the Post Office.

International Shipping: Distributor is responsible for all taxes, duties and other levies or costs associated with the shipment. Factory is not responsible for delays in customs or shipment delivery delays. We cannot estimate any international shipping costs. A 3rd party freight account and recipient phone number are required for all international shipments. There will be a \$25.00 (Z) Commercial Invoice Charge for each shipment.

Insurance and Handling Charge: \$2.50 (Z) per carton will be added to the invoice. All prices shown in the catalog are FOB Los Angeles, CA. Freight, Insurance and handling charges per carton will be added to the invoice.

Drop Shipments: A \$7.00 (Z) for domestic destinations, \$10.00 (Z) for international destinations, for EACH location after the first, will apply, in addition to the freight/handling charges.

Third Party Billing: There is a \$2.50 (Z) charge per carton for 3rd party billing shipments. If the billing charges are refused or confused, the carrier bills back the charges to Factory's account. In this case, Factory will invoice the distributor for the shipping charges plus a \$25.00 (G) service charge. If factory mistakenly fails to use the 3rd party account provided, distributor must still pay the freight charge. We are not responsible for insurance on these shipments.

Shipping Weights and Freight Estimates: Weights shown in the catalog are only estimates. Shipping weights may vary and the factory cannot be held responsible. Larger items packed in oversize cartons (like wall clocks or clipboards) may vary greatly from the actual product weight. Variances will occur due to product density, packaging and dimensional shipping weights. Innovation Line cannot be held responsible for differences in final freight charges versus any quoted freight.

Exact Quantities/No Overruns or Underruns Charge: Due to the nature of our labor intensive printing processes, our factory reserves the right to ship 5% over or under and bill accordingly per order. If an exact quantity, or request for no underruns or overruns is required, there is a charge of \$35.00 (G) this would only be available for one color, one location imprints for catalog quantities. Not available for assorted item colors, multiple ink colors, locations, special quotes or above catalog quantities.

Returns and Claims: Merchandise found to be incorrect or defective due to factory error within 30 days from ship date, will be replaced or repaired at no additional cost after factory evaluation. No returns will be accepted without prior written return authorization from the factory. Approved returns will receive a written "authorization form" for enclosure with the returned shipment. Credit will not be issued for merchandise returned without factory written authorization.

All claims must be made within 30 days of ship date. Products supplied are intended for immediate use and under no circumstances can claims be lodged beyond this time frame. (Batteries will drain over time, hand sanitizers may leak, and all components just generally deteriorate with age and are effected by storage or transit conditions, temperatures and other variables beyond factory control.

Warranty: All products are warranted for 3 months from purchase against defects in material and workmanship when they are used as intended, but are subject to normal wear and tear. We will repair or replace any warranted products claimed within this time frame. Certain products are made of natural materials or are handmade, and will vary slightly from item to item. Finish is not warranted. Batteries are included with all electronic items.

Trademark Notice: All artwork, designs, and trademarks imprinted on the products displayed in this catalog are reproduced only as examples of the type and quality of the decorated items available from our line of products. They are not intended to represent that the products are either endorsed by or produced for the owners of the artwork, design or trademark.

Authorization & Indemnification: By placing an order with Innovation Line, Distributor represents and warrants that Distributor has the authority to order, purchase and/or distribute merchandise containing the names, trademarks, logos, copyrights, etc., identified and/or submitted with the order. Distributor also agrees to indemnify, defend and hold harmless Innovation Line, it's affiliates and representatives, from and against all claims, liabilities and expenses (including attorney's fees), arising out of or related to an actual or alleged infringement or misappropriation of any trademark, copyright or any other proprietary right of such merchandise. This provision will remain in effect after delivery of the order.

ARTWORK

We strongly recommend all artwork be computer generated to assure the best printing results. We suggest the use of high contrast, clean and defined edges, straight typefaces, and avoid type smaller than 7 pt., or detailed artwork in small imprint areas. Our Art Department supports the Mac OSX versions of the following software programs: Adobe Illustrator, Adobe Photoshop, CorelDraw. Acceptability of artwork files in PDF format is subject to review by our Art Department.

Layouts: we strongly recommend the artwork submitted be laid out the way it should appear when printed. If no layout or related instructions are provided, we reserve the right to use the art provided as we see fit, using our best judgment.

File formats: Within our line of products, different items are available in different printing methods. The requirements for each method are as follows:

For **SPOT COLOR PRINTING** (Screen, Pad) or **LASER ENGRAVING**, we require files in Vector EPS format, with type outlined (solid colors only, no halftones or gradations).

For **4-COLOR PROCESS DIGITAL PRINTING**, we require files in TIF format, CMYK color mode, with a minimum resolution of 300 ppi, sized at 100%, flat and with extra bleed if needed (the format for Spot Printing – see above – is also accepted).

Artwork Submission Via e-mail: Send to: art@innovation-line.com. You MUST refer to your Purchase Order Number in the subject title of the message. Attach the artwork file(s) and include a contact name and phone number, and layout instructions (if any) in the body of the message.

Digital Media: We also accept Mac OS X formatted CD- and DVD-ROMs.

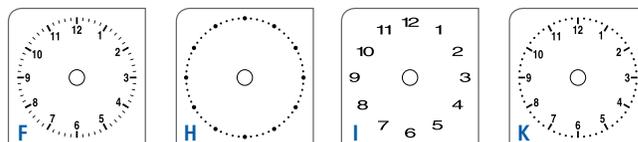

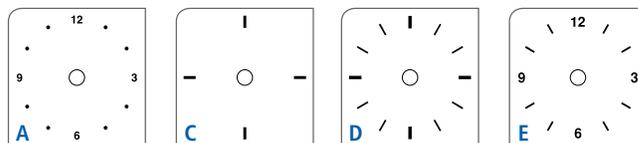

Artwork Clean Up: Only minimal clean up of artwork is available. Additional artwork charges of \$25.00 (Z) per half hour will be applied for any order in which art needs more than one half-hour of clean-up work.

Art Storage: Artwork data files are saved for 24 months from original order date. On repeat orders with changes, all original set-ups will apply.

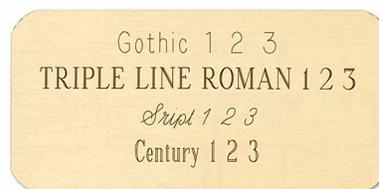

Personalizations: The copy must be provided like it will appear when printed. Only DOC (Microsoft Word) and TXT (plain text) formats are acceptable. We DO NOT accept XLS (Microsoft Excel) files, database-like files, drop shipment list or table enclosed data. When personalizations are not provided as required, standard typeset charges will apply (see below).

Typesetting: \$12.50 (G) for every three lines. Add 2 days to production time.

Clock Number Style Options: any clock dial that can be customized begins as a blank white dial. You can choose any of the style options shown below, or create your own graphic and submit artwork to us (see acceptable formats above). The dial graphic, when printed, will be considered a single color imprint and within the imprint area dimensions.

Engraving On Metal Plates: select from one of the styles shown below.
