All our digital 4 color process printing methods (dye-sublimation, heat transfer and direct) utilize specialized computer printers to transfer your image onto our products. This print method uses CMYK (Cyan, Magenta, Yellow, Black) ink colors and not pre-mixed PMS inks (which are used in silkscreen and pad printing). Therefore, exact PMS color matching is not possible and we cannot issue credits, refunds or accept returns for an issue relating to a requested PMS color match. We will do our best to match your colors as closely as possible. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E-Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation. Sorry, random/blank samples not available Expires 12/31/2023. E4755. 0915U
