Please Note: Material Color: Material color may vary from shipment to shipment and dye lot to dye lot. The physical color of an object depends on how it absorbs and scatters light. No electronic device can truly capture actual color and in most cases the way each person experiences color is entirely subjective. Innovation makes no claims regarding color and if material color is critical to your customer, samples must be ordered in advance. Credits will not be made nor returns accepted for issues regarding material colors.

Please note: Slight material bleed through cannot be avoided when printing on this material (100% ink coverage is not possible). Credit will not be issued nor returns accepted. Fine lines have a tendency to break and/or appear broken when printing on cloth materials. Some fine details may be lost during printing as well as fade quickly after printing. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Fandanas are intended for individual use and cannot be compared. Copy Change request must meet 1/2 of the first column quantity. No exceptions. All applicable charges will be applied. 0220
