Please note: Bamboo products have natural color variances due to their organic nature. Color variances are expected, as no two bamboo products will be the exact same shade even within the same dye lot and this is not considered a defect. These natural colors and wood grain will have a varying effect during the laser process and are considered a normal part of the printing on an organic, natural products. Recommended to hand wash only, not dishwasher safe. Important Information: Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation. Cutting board are intended for individual use and cannot be compared. 0305
