Bamboo products have natural color variances due to their organic nature. Color variances are expected, as no two bamboo products will be the exact same shade even within the same dye lot and this is not considered a defect. These natural colors and wood grain will have a varying effect during the laser process and are considered a normal part of the printing on an organic, natural products. Recommended to hand wash only, not dishwasher safe. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Stylus Pens are intended for individual use and cannot be compared. 0225
