

Recycled Polyester Arm Sleeve

Stretchy Recycled Polyester

#7152HT "ARIZONA" RECYCLED POLYESTER FULL COLOR COMPRESSION ARM SLEEVE

Compression Arm Sleeves are versatile accessories widely used in sports and everyday activities. They may provide muscle support, therapeutic benefits and aid in injury prevention and recovery. Some people use them to cover tattoos and provide sun protection. Made with recycled polyester RPET material. They are sold as singles; one size fits most; seam free construction. **Pricing includes up to a full color, full bleed, Photolmage imprint with one low setup charge. No extra run or setup charges for multi-color imprints**

Slight material bleed through cannot be avoided when printing on this material (100% ink coverage is not possible). Credit will not be issued nor returns accepted. Fine lines have a tendency to break and/or appear broken when printing on cloth materials. Some fine details may be lost during printing as well as fade quickly after printing. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Bandanas are intended for individual use and cannot be compared. Copy Change request must meet 1/2 of the first column quantity. No exceptions. All applicable charges will be applied. Due to the lightweight polyester material, the sleeve may appear stretched or crinkled after use — this is normal and temporary and cannot be avoided. Its original shape will return after washing and drying. Credits or returns will not be accepted for this temporary condition.
