Please note: Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Products are intended for individual use and cannot be compared one to another. Product material thickness, size and color as well as ink color can vary slightly from product to product and order to order. Vinyl material comes wrinkled but flattens with use over time and will be effected by outside temperature. This cannot be considered a defect. PMS colors will be very close, however inks are mixed by hand with some variation and cannot be compared to e proofs. 0623
