Disclaimer: Imprint will deteriorate with washing and normal use and this is not considered a defect. INTENDED FOR DRY USE ONLY. Thin and fine lines have a tendency to break and/or appear broken when printing on cloth materials, may be difficult to read or break up when printed on the fiber loops of this product and as a result imprint will vary from piece to piece. Also, cloth material size, shape, and color, varies from cloth to cloth and order to order. Bandanas are intended for individual use and cannot be identical to each other and cannot be compared. The integrity of the primary colors will change (blue, red, green, yellow and shades of these colors) and cannot be held or maintained. Credits or adjustments or returns cannot be made or accepted for color changes or shade variations. Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. For red bandanas only, due to towel color dying process, for white ink imprints only, the red dye may bleed slightly and produce a pink hue, which cannot be avoided and is not considered a defect. 0717
