Please note: Sublimated imprints can vary in color, consistency, brightness and darkness. Colors may not be uniform across individual pieces or between pieces. Some slight gradation, grain/noise, banding, stripes or streak lines may appear in sublimated imprints, which is unavoidable and not considered a defect. Returns or credits will not be issued for color or consistency issues with this print method. Slight shifting of logo/text cannot be avoided. As each product is manufactured and logoed individually, up to 3/16" movement in logo alignment may occur. Products are intended for individual use and cannot be compared one to another, current order cannot match previous order. In 4-color process printing, exact color match cannot be achieved. There may be a dramatic difference between the PMS Color noted, screen color shown and printed color. None of these can be considered a defect. 0717
