Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Please note: Fine lines have a tendency to break and/or appear broken when printing on cloth materials. Some fine details may be lost during printing as well as fade quickly after printing. Imprint will deteriorate with washing and normal use and this is not considered a defect. Thin lines and fine type may be difficult to read or break up when printed on the fiber loops of this product and as a result imprint will vary from piece to piece. INTENDED FOR DRY USE ONLY.
Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including spot color direct print or 4CP vinyl label. PMS is only a reference point and an approximation. Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Vinyl labels may have small bubbles and variation in label application cannot be avoided. Note on proofs: E-Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.
Please note: Adhesive strength may vary depending on materials used in the cell phone itself or aftermarket phone cases.

PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E-Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.
Due to the wide variety of designs & thickness on individual phone cases, some cell phone cases may restrict the charging cables ability to connect securely to the phone. This is not considered a cable defect and the case may need to be removed to secure cable connections.

Please note: Power banks ship at regular ground shipping rates. For expedited or air shipments outside the Continental U.S., shipment must be made with Federal Express and a $50.00 charge per each box must be added as required by law.
Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E-Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E-Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Please note: Only ground freight shipping at regular published rates, are available in the continental U.S. for hand sanitizers. However, if expedited shipping is required a $50 fee per box will be charged as hazardous materials (sanitizers) documentation is required, ONLY FedEx carrier allowed for expedited shipping. Hand Sanitizers shipping to Alaska, Hawaii and Puerto Rico automatically require hazmat documentation and a $50(G) charge per box fee. For spot color imprint: Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Hand Sanitizers are intended for individual use and cannot be compared one to another. Small bubbles in vinyl label cannot be avoided as labels are applied manually and cannot be perfectly aligned on bottle or compared one to another or order to order. Clear ingredients label on back will be visible through the front and may make imprint difficult to read. Thin lines and small text are not recommended. PMS color matching is not possible on full color CMYK digitally printed vinyl labels and if PMS is required directed printed (style S) is closer but still not an exact match. E proofs are for logo placement and size only and cannot replicate actual color and Factory cannot be responsible for color variation between E proof and actual printed product.

Please note: Only ground freight shipping at regular published rates, are available in the continental U.S. for hand sanitizers. However, if expedited shipping is required a $50 fee per box will be charged as hazardous materials (sanitizers) documentation is required, ONLY FedEx carrier allowed for expedited shipping. Hand Sanitizers shipping to Alaska, Hawaii and Puerto Rico automatically require hazmat documentation and a $50(G) charge per box fee. For spot color imprint: Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Hand Sanitizers are intended for individual use and cannot be compared one to another. Small bubbles in vinyl label cannot be avoided as labels are applied manually and cannot be perfectly aligned on bottle or compared one to another or order to order. Clear ingredients label on back will be visible through the front and may make imprint difficult to read. Thin lines and small text are not recommended. PMS color matching is not possible on full color CMYK digitally printed vinyl labels and if PMS is required directed printed (style S) is closer but still not an exact match. E proofs are for logo placement and size only and cannot replicate actual color and Factory cannot be responsible for color variation between E proof and actual printed product.

**Email Proof Charge:** 7.50 (G), add 2 days to production time. **Repeat Setup Charge**: 27.50 (G). All sunscreen products include an ingredient label on reverse side.

Please note: For spot color imprint: Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Sunscreen Lotion Bottles are intended for individual use and cannot be compared one to another. Small bubbles in vinyl label cannot be avoided as labels are applied manually and cannot be perfectly aligned on bottle or compared one to another or order to order. Thin lines and small text are not recommended. PMS color matching is not possible on full color CMYK digitally printed vinyl labels and if PMS is required directed printed (style S) is closer but still not an exact match. E proofs are for logo placement and size only and cannot replicate actual color and Factory cannot be responsible for color variation between E proof and actual printed product.

Please Note: Small shifting of imprint cannot be avoided when printing. As each product is manufactured and printed individually, up to 3/16" movement in logo alignment may occur. Nail Files are intended for individual use and cannot be compared.

**Email Proof Charge:** 7.50 (G), add 2 days to production time. **Repeat Setup Charge**: 27.50 (G).

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including spot color direct print or 4CP vinyl label. PMS is only a reference point and an approximation. Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Vinyl labels may have small bubbles and variation in label application cannot be avoided. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Please note: Imprint on top of grit subject to normal wear and tear which is not considered a defect. Exact PMS color match cannot be achieved when printing digitally on the surface of nail files. Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Disclaimer: Face Masks are individually hand sewn, which will result in a size variation which cannot be avoided. Due to the intricacies of the Dye Sublimation printing process: it is not possible to perfectly center mask imprints, small unavoidable creases in the mask material could create small white spaces inside the creases and, for full bleed imprints, a narrow white border may appear along the trim line, all of which are not considered defects. Washing instructions: Wash prior to use. Hand Wash or machine wash cool, line dry only.
This face cover is for source control use only. This face cover should not be used: (1) in any surgical setting or to provide liquid barrier protection; (2) in a clinical setting where the infection risk level through inhalation exposure is high; (3) for particulate filtration; or (4) in high risk aerosol generating procedures. The product has not been FDA cleared or approved, it has been authorized by the FDA under an EUA for use as source control by the general public during the COVID-19 pandemic. Source control means preventing the transmission of infection through a person's respiratory secretions which are produced when speaking, coughing, or sneezing. Face masks, including cloth face coverings, help with source control by covering the wearer's mouth and nose. This product is authorized only for the duration of the EUA during the COVID-19 outbreak, under section 564(b)(1) of the Act, 21 U.S.C. §360bbb-3(b)(1) unless the authorization is terminated or revoked sooner. Color variation cannot be considered a defect due to ink, lighting, and material variations. Innovation Line is not responsible for any color variation. In screen printing pad printing, Sublimation or transfer process exact color matches cannot be achieved. Regarding color matching, dye-sublimation printing uses a computer printer to generate a heat transfer to transfer the image onto fabric. Dye-sublimation printers use CMYO (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favor of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation.

Disclaimer: Please note that keys will have removable protective film when shipped blank. Edges for imprinted or blank are not polished and may appear unfinished.

Important Information: Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Please note: Slight shifting of logo/text cannot be avoided. As each product is manufactured and logoed individually, up to 3/16" movement in logo alignment may occur. Products are intended for individual use and cannot be compared one to another. In 4-color process printing, exact color match cannot be achieved. There may be a dramatic difference between the PMS Color noted, screen color shown and printed color. None of these can be considered a defect.

Note: Title to goods passes to distributor or final consumer once factory delivers the products to the common carrier. Freight claims should be filed with the carrier if a loss occurs. Delays related to the carrier or weather are not responsibility of factory. Additional freight charges will be incurred if product is shipped other than in our standard packaging. Please note this is an Estimate and actual charges may vary by 10% plus or minus. International Shipments, including HI & AK can only ship FedEx 2 Day or FedEx Overnight. A $50 charge per box fee will be added to expedited shipping for appropriate documentation for hazardous materials (sanitizers and powerbanks). Hazmat products shipping to Alaska, Hawaii and Puerto Rico automatically requires hazmat documentation and $50 charge per box fee in addition to shipping cost.

# The Rainier Cooling Towel!
# Wet and Wring To Activate!

The Rainier Cooling Towel keeps you cooler when working out in the gym or when outdoors playing sports or participating in other activities in the heat. Simply wet with water and wring to activate. The specialized air pocket construction quickly absorbs and retains water better than standard materials, and enhances air flow into the damp cloth creating a prolonged cooling effect. The moisture wicking properties draw moisture away from your skin so you stay dry and comfortable. The Rainier Cooling Towel remains dry to the touch. Simply re-wet and wring to reactivate and refresh as necessary. 100% eco-friendly chemical free microfiber polyester construction. Hand wash prior to use.

Please Note: Fandanas are not a children's product and are not for use for ages 12 and under. Hand wash prior to use. Washing will influence imprint longevity. Hand wash Only.
Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Please Note: Fandanas are not a children's product and are not for use for ages 12 and under. Hand wash prior to use. Washing will influence imprint longevity. Hand wash Only. Regarding color matching, **dye-sublimation printing process** uses a computer printer to generate a heat transfer to transfer the image onto fabric. Dye-sublimation printing machines use CMYO (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favor of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do it's best to match but cannot guarantee an exact color match.

## 7136 "The Cooling Bandana" Headband and Neck Wear

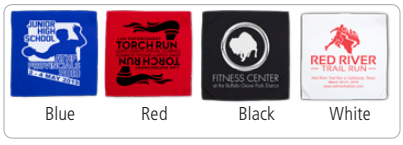

The Cooling Bandana keeps you cooler outdoors when like hiking, biking, running, cycling, on camping trips and at sporting events. Use it as a neck or head scarf, facemask, headband, rally towel or golf towel. Simply wet with water and wring to activate. The specialized air pocket construction quickly absorbs and retains water better than standard materials and enhances air flow into the damp cloth creating a prolonged cooling effect. The moisture wicking properties draw moisture away from your skin so you stay dry and comfortable. The Cooling Bandana remains dry to the touch. Simply re-wet and wring to reactivate and refresh as necessary. 100% eco-friendly chemical free microfiber polyester construction. Hand wash prior to use.

Please note: Sunglasses are intended for individual use and cannot be compared. In our best efforts to ensure greater customer satisfaction, we try avoid, when possible, the use of warning labels that can send unfavorable marketing messages to consumers. We go through great efforts to source our products from reliable vendors that supply products that will meet Cal Prop 65 requirements without the application of Prop 65 warning labels that can alarm end users and consumers. However, some items cannot be reformulated to use materials that contain a listed chemical, so in such cases, we have no choice but to apply a Prop 65 warning label on the product to meet the regulation's warning requirements.

Please note: Sunglasses are intended for individual use and cannot be compared. In our best efforts to ensure greater customer satisfaction, we try avoid, when possible, the use of warning labels that can send unfavorable marketing messages to consumers. We go through great efforts to source our products from reliable vendors that supply products that will meet Cal Prop 65 requirements without the application of Prop 65 warning labels that can alarm end users and consumers. However, some items cannot be reformulated to use materials that contain a listed chemical, so in such cases, we have no choice but to apply a Prop 65 warning label on the product to meet the regulation's warning requirements.
Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. We cannot guarantee an exact color match with Full Color Imprint, but we will match the colors as closely as possible. **Pre-Production Proofs:** 80.00 (G). **FOB**: RI - 02920.

Please Note: Regarding color matching, **dye-sublimation printing process** uses a computer printer to generate a heat transfer to transfer the image onto fabric. Dye-sublimation printing machines use CMYO (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favor of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do it's best to match but cannot guarantee an exact color match. Slight variation in overall size cannot be avoided

Disclaimer: The **dye-sublimation printing process uses a** computer printer to generate a heat transfer to transfer the image onto the fabric. Dye-sublimation printing machines use CMYO (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favour of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do it's best to match but cannot guarantee an exact color match.

Please Note: Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including spot color direct print or 4CP vinyl label. PMS is only a reference point and an approximation. Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Vinyl labels may have small bubbles and variation in label application cannot be avoided. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including spot color direct print or 4CP vinyl label. PMS is only a reference point and an approximation. Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Vinyl labels may have small bubbles and variation in label application cannot be avoided. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

**"CustomCut ™" Full Color Custom Shape Removable Vinyl Stickers In Singles**

Our CustomCut™ Sticker/Decals are made with a Professional Grade White 6 Mil Matte Vinyl Material. Each Sticker is individually kiss cut to the contours of your custom logo design. **No Die or Die Cutting Charges**! They come in individual singles for easy distribution. CustomCut™ Stickers are a premium product and an upgrade to thin paper stickers which come on a roll and are harder to distribute. For indoor and outdoor use, water resistant and removable for up to one year. **Pricing includes up to a full color PhotoImage® digital imprint**. All Stickers require a 1/8" white border around the artwork design.

CustomCut™ stickers are sold by the square inch. To calculate the total number of square inches needed for your design, simply multiply the Length times the Width of your sticker size including an additional 1/8" white border. Please make sure your art file indicates the sticker die cut outline with the 1/8" white border so we understand how you want the finished sticker to look. Please check our website for complete art instructions. Not intended for children 12 years and younger.

**Packaging**: Bulk packed in singles. **Material**: 6 Mil Matte Vinyl with Removable Adhesive.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including spot color direct print or 4CP vinyl label. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Vinyl labels may have small bubbles and variation in label application cannot be avoided. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation. **Disclaimer**: Please note factory only offers black clock hands which are automatically supplied. Dark clock dial backgrounds are not recommended as Black clock hands may not be visible. Clock motors, frames or hands cannot be customized. Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation. Approval of a pre-production sample does not guarantee color matching for mass production and thus will be color variations from the pre-production sample if supplied.

Important Information: Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, material or any other variation. PMS color matching is not possible for any imprint method, including screen print, pad print, PhotoImage ® full color direct, full color label, transfer and sublimation. PMS is only a reference point and an approximation. Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Note on proofs: E Proofs are for logo placement and size approval only. The colors shown on e-proofs will not be accurately represented on monitors. Therefore, e-proofs cannot be an exact color representation and factory is not responsible for ANY variation.

Acrylic Paperweights come in a variety of shapes and thicknesses. They lend sophistication and elegance to any event and provide a great keepsake or recognition memento. They can be Screen Printed or Laser Engraved.

# General Information

**PRODUCTION SCHEDULING EXCEPTIONS**: If a requested ship date or in hand date is NOT noted on the order, factory reserves the right to extend/decrease production time.

**COMPLIANCE**: All our products comply with all applicable State and Federal product safety regulations.

**Changes To Orders**: Any changes to an order must be made in writing and approved by factory prior to changes becoming effective. Distributor is responsible for all production costs, if any, incurred prior to order change.

**Product Substitutions**: Factory reserves the right to substitute/upgrade to a product of equal or greater value without prior substitution.

**Credit Card Payment Terms:** Our standard open account terms are Net 30 days, from the date that order has shipped. We accept VISA and MasterCard for order payment with distributor approval. Delays in response to request from our credit department will delay the ship date.

**Re-orders:** Please specify the most recent P.O. Number and date or the Innovation Line job number. Customer Purchase Orders and digital artwork files are stored for two (2) years. Product colors vary slightly from order to order.

**Catalog Pricing:** Catalog prices are subject to change without notice. All catalog pricing is based on our costs known at the time of publishing. Natural disasters, worldwide economic conditions including, but not limited to, foreign governments altering their tax or monetary policies, the cost of raw materials rising (usually associated with the cost of oil) or other economic conditions could result in unforeseen price increases. Any such event may necessitate that we alter the pricing published in this catalog. In such an event, we will do our best to keep prices updated on our website at www.innovation-line.com. We are not responsible for pricing or information errors found in third party publications (i.e., ESP, SAGE, Impact, etc.) whether in a database, online, in print or by email blast, etc. Pricing is effective upon publication.

All prices are subject to reconfirmation at time of order placement. Any quote, whether phone or written is only a reference point until you submit a detailed PO and artwork. Without those details a quote is a general attempt to provide quick order pricing but in no way can it be construed as a 100% confirmed price. After a detailed review of art submitted and all specifications listed on your PO, complete and accurate price for your order will be sent to you for verification and confirmation.

## HOW TO PLACE AN ORDER

You can fax your purchase orders to (310) 390-5793 or email them to orders@innovation-line.com. Please ensure that all relevant information is noted to avoid any delay in production and shipping. Please include a hard copy of the artwork and layout if available. If you would like to contact our customer service department by email, you can reach us at info@innovation-line.com.

All orders are acknowledged by fax and/or email upon receipt. Please read carefully and contact us if corrections are required. Any changes to an order must be made in writing and approved by factory prior to changes becoming effective. Distributor is responsible for all production costs, if any, incurred prior to order change. All orders are accepted subject to our standard delivery terms. Any deviation from the stated production lead-times will need to be pre-authorized. All orders are subject to credit approval. Delays in response to requests from our credit department will delay the ship date.

## MISCELLANEOUS CHARGES

**Less Than Minimum Charge**: $60.00(G) plus first column price. Only select items within the catalog are available at less than minimum quantities. Absolute minimum is 50% of the first column quantity.

**Printed Awards Less Than Minimum Charge**: $80.00(G) per item, plus all setup and running charges (no exceptions) contact Factory for absolute minimum.

**Cancellation Charge**: $32.00(G), plus all production charges for work performed up to that date.

**Overruns and Underruns**: We reserve the right to ship up to 5% over or under the quantity ordered and to invoice accordingly.

**Ink Color Charge:** $25.00 (G) per color change.

**Assorted Color:** Minimum assortment of colors is 100 pieces per color. For example if 250 assorted is requested, assortment will be 125 of two colors, if 500 of 4 colors is requested 125 per color will be assorted, if 1000 of 3 colors is requested, 333 of each color will be supplied. Assorting colors may result in an ink change charge of 25.00 (G) if ink is not visible on assorted color requested and customer will not be notified in advance of this charge. Factory reserves right to assort according to stock on hand without prior notification. Sorry, assortment exceptions cannot be made.

## SPECIAL FLYER & PROMOTIONAL PRICING

**Special Flyer & Promo Pricing**: Required details must be provided at the time of order placement. Invoice adjustments cannot be applied later.

**Special Pricing (Provided by Sales Member) Requirement**: Sales Promo code number and pricing must be indicated on order.

**Promo Pricing Requirement**: Promo code number must be indicated on order at time of order placement as it cannot be added later.

## IMPRINTING CHARGES

All Set-Up Charges, PMS Color Match Charges, and Repeat Charges are "per color", and/or, "per location". Each catalog page shows applicable setup charges. PMS Color Charge: $40.00 (G) per color. All PMS colors are indicative of how they appear on a white substrate and may change depending on the color of the item. We cannot guarantee exact color matches, especially on stress relievers and digitally printed inserts. Standard no charge PMS colors (coated) are:

**PROOFS:** by fax or e-mail, $7.50(G), add 2 days to production time. No Photo Proofs available.
**Product Proof:** $40.00 (G) on any Silk-Screened or Pad-Printed item. $45.00 (G) on any Laser Engraved item or 4CP item. For 4 Color transfers on bags and other soft materials $160 (G), If revisions are made to Pre-production proofs, a new pre-production proof charge that includes any additional art, die or screen charges will apply. Production Time: 2-3 days. – Applies Only applies to Domestic Items. Excludes Awards & Overseas Products.

**Please Note**: Proofs provided are for logo placement and size approval only. The colors shown on e-proofs may not be accurately represented on your computer monitor (All metallic inks will NOT show up as metallic on screen) and PMS colors as printed in the Pantone Color Book are only a reference point. Therefore, e proofs are not an exact color representation. Variations in print substrates/materials make it impossible to exactly duplicate PMS colors on Innovation Line products. Color variation cannot be considered a defect due to ink, lighting, and material variations. Innovation Line is not responsible for any color variation. In screen printing pad printing, sublimation or transfer process exact color matches cannot be achieved. Regarding color matching, dye-sublimation printing uses a computer printer to generate a heat transfer to transfer the image onto fabric. Dye-sublimation printers use CMYO (Cyan Magenta Yellow Overcoating) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favor of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Laser engraving appears on actual item as tone on tone (as the laser engraving uses the laser to burn through the surface), on clear acrylic it appears white frost, on a proof laser engraving is most often shown in gray color. Imprint will shift slightly when printed or lasered. Each product is manufactured and printed individually, so 3/16" movement in logo alignment may result and cannot be considered a defect in printing. Copy Change request must meet 1/2 of the first column quantity. No exceptions. All applicable charges will be applied

Distributor is responsible for all shipping and freight charges FOB Factory at zip code 90230. Shipping instructions, method, delivery address and delivery date must be clearly included on purchase order. Title to goods passes to distributor or final consumer once factory delivers the products to the common carrier. Freight claims should be filed with the carrier if a loss occurs. Delays related to the carrier or weather are not responsibility of factory.

No refunds, credits or returns will be given if carrier is in error. Factory often gets billed from common carriers when addresses are wrong, residential deliveries are required or other mishaps occur because proper ship to information was not provided. In such cases, Factory will send a supplemental invoice to distributor for such charges. Additional freight charges will be incurred if product is shipped other than in our standard packaging. Please note freight Estimates are only estimates and actual charges may vary by 25% plus or minus. Freight estimates are for a single item with standard bulk packaging. As this is an estimate, factory reserves the right to alter packaging, including assorted item colors, imprint colors, less than minimum runs and copy changes and is NOT responsible for resulting estimate deviations. International Shipments, including HI & AK can only ship FedEx 2 Day or FedEx Overnight.

**Hazardous Products (Sanitizer & Power Banks) Shipping:** Hazardous Products shipping within the continental U.S. generally ship ground at regular published rates. Hazardous materials shipping internationally, to Alaska, Hawaii and Puerto Rico automatically require the hazardous materials documentation fee in addition to all other applicable shipping related cost. If expedited shipping is requested/required the order must ship Federal Express, and by law, the hazardous materials documentation fee is required in addition to all other applicable shipping related cost. Visit our website General Information under "Hazardous Products (Sanitizers and Power Banks) Shipping" for specific and updated details.

**Early Shipping:** Factory reserves the right to print and/or ship orders earlier than requested on purchase order UNLESS purchase order clearly states Do Not Ship Early. Factory cannot be held responsible if customer requests changes to an order that has already been printed and/or shipped. Postal service is discouraged but if distributor insists there is an additional $35.00 (Z) delivery charge to the Post Office.

**International Shipping:** Distributor is responsible for all taxes, duties and other levies or costs associated with the shipment. Factory is not responsible for delays in customs or shipment delivery delays. We cannot estimate any international shipping costs. A 3rd party freight account and recipient phone number are required for all international shipments. There will be a $25.00 (Z) Commercial Invoice Charge for each shipment.

**Insurance and Handling Charge:** $2.50 (Z) per carton will be added to the invoice. All prices shown in the catalog are FOB Los Angeles, CA. Freight, Insurance and handling charges per carton will be added to the invoice.

**Drop Shipments:**

- Visit website General Information under Shipping-Drop Shipments to download the *required* drop shipment template.
- The *specified* excel format *must* be used when drop shipping to 3 or more locations.
- Drop ship list must be sent, error free, 4 days prior to assigned ship date. Revisions to drop ship list cannot be accepted once the order enters our production.
- Add $7.00 (Z) for domestic destinations, $10.00 (Z) for international destinations. *For EACH location after the first*, drop ship charges apply. All other shipping charges will apply as normal.
- Add one day to production for every 100 drop ship addresses.
- The appropriate ship method must be selected in order to meet the IHD.
- Factory will not pay for upgraded freight due to late submission of drop ship list or drop ship spreadsheet errors (wrong ship method, incomplete/invalid address, returns, refused by receiver, etc.)

**Third Party Billing:** There is a $2.50 (Z) charge per carton for 3rd party billing shipments. If the billing charges are refused or confused, the carrier bills back the charges to Factory's account. In this case, Factory will invoice the distributor for the shipping charges plus a $25.00 (G) service charge. If factory mistakenly fails to use the 3rd party account provided, distributor must still pay the freight charge. We are not responsible for insurance on these shipments.

**Shipping Weights and Freight Estimates:** Weights shown in the catalog are only estimates. Shipping weights may vary and the factory cannot be held responsible. Larger items packed in oversize cartons (like wall clocks or clipboards) may vary greatly from the actual product weight. Variances will occur due to product density, packaging and dimensional shipping weights. Innovation Line cannot be held responsible for differences in final freight charges versus any quoted freight.

**Exact Quantities/No Overruns or Underruns Charge**: Due to the nature of our labor intensive printing processes, our factory reserves the right to ship 5% over or under and bill accordingly per order. If an exact quantity, or request for no underruns or overruns is required, there is a charge of $40.00 (G) this would only be available for one color, one location imprints for catalog quantities. Not available for assorted item colors, multiple ink colors, locations, special quotes or above catalog quantities.

**Returns and Claims:** Merchandise found to be incorrect or defective due to factory error within 30 days from ship date, will be replaced or repaired at no additional cost after factory evaluation. No returns will be accepted without prior written return authorization from the factory. Approved returns will receive a written "authorization form" for enclosure with the returned shipment. Credit will not be issued for merchandise returned without factory written authorization.

All claims must be made within 30 days of ship date. Products supplied are intended for immediate use and under no circumstances can claims be lodged beyond this time frame. (Batteries will drain over time, hand sanitizers may leak, and all components just generally deteriorate with age and are effected by storage or transit conditions, temperatures and other variables beyond factory control.

**Warranty:** All products are warranted for 3 months from purchase against defects in material and workmanship when they are used as intended, but are subject to normal wear and tear. We will repair or replace any warranted products claimed within this time frame. Certain products are made of natural materials or are handmade, and will vary slightly from item to item. Finish is not warranted. Batteries are included with all electronic items.

**Trademark Notice:** All artwork, designs, and trademarks imprinted on the products displayed in this catalog are reproduced only as examples of the type and quality of the decorated items available from our line of products. They are not intended to represent that the products are either endorsed by or produced for the owners of the artwork, design or trademark.

**Authorization & Indemnification:** By placing an order with Innovation Line, Distributor represents and warrants that Distributor has the authority to order, purchase and/or distribute merchandise containing the names, trademarks, logos, copyrights, etc., identified and/or submitted with the order. Distributor also agrees to indemnify, defend and hold harmless Innovation Line, it's affiliates and representatives, from and against all claims, liabilities and expenses (including attorney's fees), arising out of or related to an actual or alleged infringement or misappropriation of any trademark, copyright or any other proprietary right of such merchandise. This provision will remain in effect after delivery of the order.

## ARTWORK

We strongly recommend all artwork be computer generated to assure the best printing results. We suggest the use of high contrast, clean and defined edges, straight typefaces, and avoid type smaller than 7 pt., or detailed artwork in small imprint areas. Our Art Department supports the Mac OSX versions of the following software programs: Adobe Illustrator, Adobe Photoshop, CorelDraw. Acceptability of artwork files in PDF format is subject to review by our Art Department.

**Layouts:** we strongly recommend the artwork submitted be laid out the way it should appear when printed. If no layout or related instructions are provided, we reserve the right to use the art provided as we see fit, using our best judgment.

**File formats:** Within our line of products, different items are available in different printing methods. The requirements for each method are as follows:

For **SPOT COLOR PRINTING** (Screen, Pad) or **LASER ENGRAVING**, we require files in Vector EPS format, with type outlined (solid colors only, no halftones or gradations).
For **4-COLOR PROCESS DIGITAL PRINTING**, we require files in TIF format, CMYK color mode, with a minimum resolution of 300 ppi, sized at 100%, flat and with extra bleed if needed (the format for Spot Printing – see above – is also accepted).

**Artwork Submission Via e-mail:** Send to: art@innovation-line.com. You MUST refer to your Purchase Order Number in the subject title of the message. Attach the artwork file(s) and include a contact name and phone number, and layout instructions (if any) in the body of the message.

**Digital Media:** We also accept Mac OS X formatted CD- and DVD-ROMs.

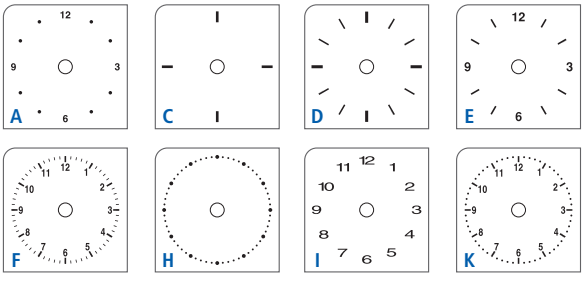

**Artwork Clean Up:** Only minimal clean up of artwork is available. Additional artwork charges of $25.00 (Z) per half hour will be applied for any order in which art needs more than one half-hour of clean-up work.

**Art Storage:** Artwork data files are saved for 24 months from original order date. On repeat orders with changes, all original set-ups will apply.

**Personalizations:** The copy must be provided like it will appear when printed. Only DOC (Microsoft Word) and TXT (plain text) formats are acceptable. We DO NOT accept XLS (Microsoft Excel) files, database-like files, drop shipment list or table enclosed data. When personalizations are not provided as required, standard typeset charges will apply (see below).

**Typesetting:** $12.50 (G) for every three lines. Add 2 days to production time.

**Clock Number Style Options:** any clock dial that can be customized begins as a blank white dial. You can choose any of the style options shown below, or create your own graphic and submit artwork to us (see acceptable formats above). The dial graphic, when printed, will be considered a single color imprint and within the imprint area dimensions.

**Engraving On Metal Plates:** select from one of the styles shown below.
